MEMORANDUM FOR: Chief, Technical Services Division,  
Development and Engineering

SUBJECT : Current Status of ORD/TSD Support Funds

REFERENCE : Memorandum to D/ORD from C/TSD/D&E  
dated 13 January 1970 Regarding the  
ORD/TSD [REDACTED]

25X1

1. In line with our previous discussions, we have reviewed FY 1970 availability of unobligated ORD funds planned for direct support of TSD projects. As you recall, this was done in order to see whether we might reprogram funds to support the [REDACTED]. Unfortunately, we find there is a negligible balance (less than [REDACTED]) remaining. As you know from [REDACTED] study, a certain amount of funds were expended against Priority II and Priority III projects during the first two quarters of the fiscal year.

2. It appears that neither TSD nor ORD have adequate unobligated funds to redirect toward this very high priority program. I would like to suggest that we meet jointly with the DD/P and the DD/S&T to explore the possibility of obtaining year-end funds or a reserve release.
